Our recycling pricelist changes every month and is dependent on what the recycling companies are looking for. If your cartridge is not listed, please keep it and check again the next month, there may be a shortage and we may be able to take them in.

Please ensure you have 25 or more empty cartridges of value from this price list ready for collection. Once ready email or fax (0870 471 7504) this price list with your details. We will contact to confirm by email if we are accepting the cartridges for recycling and the collection details.

Cartridges do not need to be in ORIGINAL packaging, but do need sufficient packaging to ensure safe transit. All boxes must be clearly labelled with your company details along with the total number of boxes in the consignment.

◇ Free collection applies to UK mainland only and is subject to the minimum quantity of cartridges. For areas outside the UK mainland please contact us directly for further details.

***Please fill in ALL pages with your quantities along with your details below
